My dear Mr. Dudley:-

As you know, the time is drawing near, when according to the Retirement System, I am to tender my resignation as Asst. Librarian of Cohituate Branch to take effective July 1st 1949. Now of course I will do that, but I want to ask a favor, with the permission of the Trustees, can I have that time extended to Oct. 1, 1949. I would like to stay until then as it would mean I have completed Thirty-five (35) years of service.

Gertrude D. Bishop, Main Street, Cohituate, Massachusetts

I mean that would be independent of the Retirement System, and up to the Trustees.

Of course I feel awfully to give up the work, as long as I can do it, but I know I have to go to before long.

Very Truly Yours

Gertrude D. Bishop

COURT HOUSE, EAST CAMBRIDGE, MASS.

Miss Gertrude D. Bishop
Cochituate, Massachusetts

Dear Miss Bishop:

I have your letter requesting the approval of the Middlesex County Retirement Board to remain in the service of the town until October 1, 1949.

Under the law the Board of Retirement has already granted you permission to remain in the service until June 30, 1949, that is until two years after June 30, 1947 when the town joined the Retirement System. This is the last date to which your retirement can be postponed by law. No board has any power under the law to extend your retirement beyond that date. Consequently, you cannot be continued legally in the employ of the town until October 1, 1949.

The payment of your pension should begin by the period starting July 1, 1949, and you should receive your first pension check on August 1. The Retirement Board has to vote your retirement and then send the papers to the State Division of Insurance for the computation of your pension. Due to the fact that the State Division of Insurance has a great many cases to handle, this process takes some weeks. I have already forwarded to the Division of Insurance the figures of most of the people who are due to retire on June 30.

If you do not promptly fill out and sign the papers that were sent to you, it will be impossible for me to obtain the figures for your pension from the Division of Insurance in time to mail you your check on August 1. Will you not promptly sign them and forward them immediately?

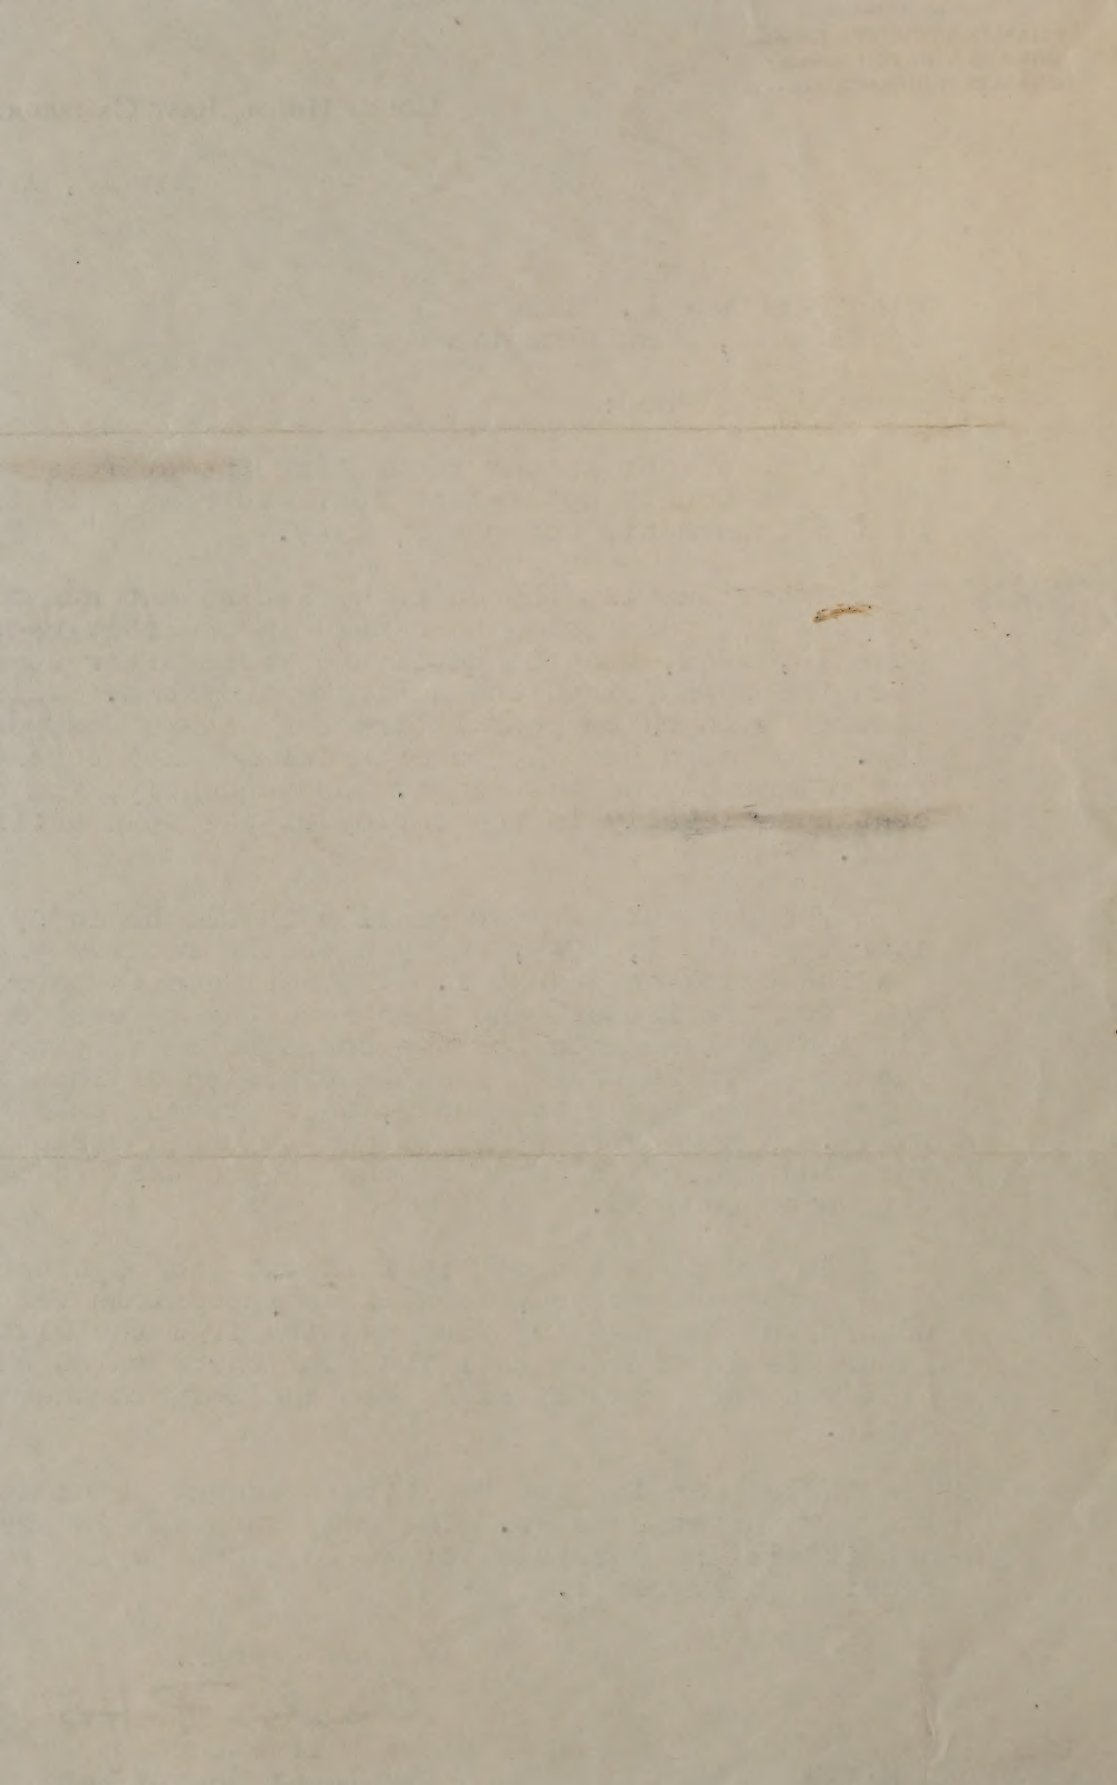

Under the law you positively cannot be employed for the town after June 30. The only question is whether or not it will be possible for me to start paying you your pension on August 1.

Very sincerely,

Charles P. Howard
Treasurer

Middlesex County Retirement Board
